PRIVATE VILLA

Privately ensconced in the craggy and dramatic Toiny hillside, the two bedroom Villa A Bientôt leverages its location and captures the gentle trade winds, the sounds of the surf and a gorgeous seascape. The owners will enjoy watching surfers in the distance, trying to capture that perfect wave. A one-level open floor plan includes living and dining areas constructed to capture the view and a fully equipped kitchen with a bar. The two bedrooms have en suite baths; located on either end of the villa, they both afford lovely water views..
