PRIVATE VILLA

Hillside in Colombier, this contemporary and luxurious four bedroom villa is an ideal vacation home. It boasts a stunning seascape that includes the neighboring little islands of Bonhomme and Frégate. The Instagram-worthy views can be enjoyed from the ocean-facing interior or the expansive deck, with its wealth of outdoor living space. The deck's focal point is an elongated infinity pool, and additional features include a covered poolside dining area and a gazebo. Indoors, a bar with seating divides the sleek stainless kitchen from a spacious living room. There is a main-level guest bath. Three equal-sized bedrooms are on the main level; a fourth bedroom is privately located on the lower level. All have well-appointed en suite baths.
