

Gouverneur Views

PRIVATE VILLA

Linked by a winding stone path, each of the stunning villas features its own unique view of the sea. The three bedroom villa's focal point is an eye-popping vista, and the two bedroom villa boasts a panorama of Gouverneur Beach, its verdant hillsides and a peek at neighboring islands Nevis and St. Kitts; palm trees frame the view at the very glamorous one bedroom pavilion with its own kitchenette and plunge pool. . All bedrooms are privately situated and have beautifully appointed en suite baths with special features like outdoor showers and a sumptuous gold claw-foot soaking tub. Centered around the villas' pools, outdoor living space abounds and includes covered dining porticos and sun decks.
