

Terrain St. Jean 2

L A N D

Well located in the hills of St. Jean, this plot (2712 m²) is the perfect setting for a vacation home. It lays claim to a lovely view of the Baie de St. Jean, proximity to one of the island's most popular beaches, and all the chichi village offers for dining and shopping. It is being sold with a building permit for a 321 m² which allow for 4 bedrooms (Three on the main level and one lower-level staff bedroom), and a fitness room. The exterior allotment brings the total to 542 m² that includes the swimming pool, terraces ideal for outdoor living space, and parking for six cars, four covered. The access road and all utilities are in place.
