

The Loft

PRIVATE VILLA

The luxurious one bedroom villa/apartment, The Loft, is terraced in Gustavia's hillside overlooking the iconic red rooftops and the harbor. A well-equipped kitchen with adjacent dining and living areas is incorporated into a smartly decorated, breezy open floor plan that merges with the outdoor space via an extra-long infinity pool. The spacious en suite master bedroom with its French king bed includes a walk-in closet and is spacious and well-appointed. A spiral staircase ascends to the mezzanine where guests can enjoy HDTV, DVD, Blu-ray and Apple TV that projects to the dropdown screen. A small office area and a powder room are off the living area. Guests adore being able to walk to the bakery, restaurants, boutiques and Shell Beach as well as having the use of a parking area in the garage that is mid-way between the villa and the street below. Outside stairs lead up to the apartment.
