

Casa Tigre

PRIVATE VILLA

A truly exceptional three bedroom villa, Casa Tigre lays claim to a sweeping vista encompassing the azure waters of Grand and Petit Cul de Sac and Toiny's deep blue sea. Terraced into the hillside and configured over two levels, there is a private elevator to transport guests to-and-fro the main living area which includes an oversized pool and an expansive deck. This level also includes a large eat-in kitchen outfitted with every culinary accouterment. There's a chi-chi little guest bath conveniently located at its end. A his-and-hers office alcove connects the kitchen to the spacious living room. Glass enclosed to leverage the view, the contemporary décor is stylish and sophisticated, and designed for comfort. Two bedrooms are opposite each other at the top of the stairs on the 2nd level. The master bedroom with an en suite bath is on the main level.
