

Datcha

PRIVATE VILLA

Positioned at the end of a curving drive, the three bedroom Villa Datcha is a lovely, contemporary-styled vacation retreat. The indoor and outdoor living and dining spaces, including the well-equipped galley kitchen with pass-through bar, are casual and comfortable - and make for "easy living". The living room with guest bath has a slider to the swimming pool and sundeck, and another slider opens to the covered terrace and wonderful view. Various stairways lead down to the three (equally sized) bedrooms. All feature king/twin beds with baths en suite, and views to the sea. Villa Datcha is close to gorgeous Flamands Beach and is a great choice for three couples.
