PRIVATE VILLA

Under going a full renovation. Check back for the debut of the brand new Joyeux Temps Winter 2021

Tip-top in Pointe Milou, this sensational 4 bedroom villa leverages its location to offer a gorgeous seascape and views of St. Jean and St. Maarten. The fiery sunsets are memorable and guests love observing the island tradition of end-of-day-cocktails on one of Villa Joyeux Temps' multi-level terraces. There is more-than-ample outdoor living and dining space. Indoors, the open floor plan is contemporary in design and decorated in a chic palette of soft grays, shades of sand and crisp whites with pops of nautical blue.
