LIVE YOUR DREAM®

The estate is perfect for guests seeking total privacy. The main plantation house is comprised of a huge upstairs Master Suite with a spacious en suite bath. Downstairs features a sprawling living area with a comfortable kitchen for a gourmet chef, a fantastic media room. Three independent cottages are located along the perimeter. The Alexia Bungalow lies on the front of the property and features a king bedroom, a separate sitting room that could be used by a child, two bathrooms, a kitchenette and a lovely view. Another bedroom with built-in double bed and en suite bath is located below this pavilion. The Philippe Bungalow is situated in the middle of the property and boasts two queen four poster beds with bath en suite and full kitchen. The Helen Bungalow is located near the entrance of the property and features a king bedroom and bath, kitchen, and a small second bedroom with a single bed and bath en suite, suitable for a young child or Nanny. The expansive yard is very unusual for St. Barth; it offers a gazebo and is the perfect place where children can play. The large natural heated swimming pool lies on the front of the property and offers music, a wet bar and guest bath. Guests really enjoy the sensational views from here. US Satellite TV and Wi-Fi can be found throughout the residence. Le Manoir de Lurin is a child friendly estate and offers Wii.
