PRIVATE VILLA

This four bedroom villa is pretty as a picture and offers privacy and spectacular views over Lorient and beyond. Families with younger children love the delightful pool with its shallow end, and parents enjoy the adjacent covered deck with its wet bar. A terrace provides additional outdoor living space. The en suite master suite (with a king and two trundle beds) is well-suited for parents with young children or for several children to share a room. An en suite (king) bedroom are on the pool level and has a twin rollaway; the third en suite bedroom (queen) is located on the upper level with the kitchen and air-conditioned living area. A fourth en suite bedroom is 14 steps below the pool and features an outside terrace. The well-equipped kitchen has a bar with seating; a charming, comfortable living room is air-conditioned and ideal for indoor relaxation, reading and TV viewing – there is U.S. and French satellite service. Villa Luz is fully screened, allowing guests to enjoy the tropical breezes.
