have baths en suite and include two very large master suites (king) with sitting areas. One is off the living area and the other is in a separate pavilion. Two additional (French king) bedrooms are located behind the villa's central courtyard. The 5th en suite French king bedroom, located at the rear of the main building, has a garden view and offers a loveseat that converts to a twin bed.

A spectacular, colossal heated infinity pool – it appears to merge with the sea - is the focal point of the expansive outdoor living spaces that include a delightful grass courtyard, a sweeping sunny pool deck, a covered area for dining with a view and an adjacent BBQ station with a built-in gas grill. A lower-level air-conditioned fitness room with Technogym, Arke and Kinesis equipment and a striking view is a nice additional feature. ...more at stbarth.com/villas/detail/OMYYY
