

# Pajoma

PRIVATE VILLA

Located in Lurin, close to Gustavia's dining and shopping, the delightful 3 bedroom Villa Pajoma is also just a short drive to some of the island's best beaches. The indoor living areas are breezy and comfortable. They include a lovely living room, a charming dining nook and a well-equipped kitchen with a pass-through to a covered dining terrace. An expansive pool deck set amidst lush tropical gardens provides ample outdoor living space and a peak at the sea sparkling in the distance. Chaises flank the pool and a long sectional sofa at its foot is perfect for relaxing with a book and a beverage. The 3 (king) bedrooms all have baths en suite. Two (identical) are pool level; each has access to the deck and a separate entry from the parking area. The third is on the lower level with its own terrace and offers a beautiful view of St. Jean Bay.
