## PRIVATE VILLA

Three bedroom contemporary Villa Rock U is ideally located in lovely Lurin, close to the island's beaches, restaurants and shops. Guests can enjoy all aspects of the St. Barth villa lifestyle including toasting fiery Caribbean sunsets from their expansive pool deck. A bar separates a sleek galley-style kitchen from the spacious living and dining areas that open to the outdoor living space. A fabulous oversized pool faces the view. All three bedrooms have well-appointed en suite baths, private terraces and vistas of the sea. The king-bedded master is one side of the villa and the guest bedrooms (queen beds) are on the opposite side. Lushly landscaped gardens add a delightful tropical ambience.
