Sas

PRIVATE VILLA

Stunning vistas of the Baie de St. Jean are just one of the features of the ever-popular two bedroom Villa Sas. Guests are treated to tropical breezes and glorious sunrises and sunsets. A French Caribbean-styled open one-level floor plan, includes living and dining areas, a chef-worthy kitchen and two en suite bedrooms located in separate private wings. One has a king bed and the other twin beds convertible to a king. Fully air-conditioned throughout, all rooms have screens and open on to beautifully landscaped stone terraces and enjoy a water view. A heated infinity pool is a highlight that enhances the outdoor living space and an outdoor shower is a nice option for beachgoers. Amenities include an indoor-outdoor sound system, U.S. satellite and Apple TV. St. Jean Beach and the village's shops and restaurants are all within walking distance.
