

# Roc e Mar

PRIVATE VILLA

The striking, modern design of the luxurious 3 bedroom Villa Roc e Mar incorporates the easy blend of indoor and outdoor poolside living space, essential to the St. Barth lifestyle. Its extra-long lap pool is spectacular. Breathtaking views of the Caribbean Sea from every vantage point including the bedrooms are the frosting on the gateau. All three bedrooms have screened sliders and guests can opt to take advantage of the evening breezes and the sound of the surf. Each bedroom has a beautifully appointed en suite bath; the Master Suite features an outdoor shower à deux. The indoor living space includes a sleek kitchen, a dining area, a guest bath and a chic comfortable living room. On the tech side there are TVs equipped with U.S. satellite service, DVD players and iPod docking stations. Early risers will enjoy a beautiful sunrise and joggers – and walkers – will be particularly enamored with the location and it's just five minutes to the sea. Surf's up!
