LIVE YOUR DREAM®

This 4 bedroom Villa Wings appears to be almost perched and ready for flight over the beautiful island of St. Barth. It is located in the heart of St. Jean and the little village's boutiques and restaurants. Constructed on the edge of a cliff, the 1st floor living space is on the upper level, three (French king) bedrooms have luxurious en suite baths and every amenity guests could ask for from iPod docks, to U.S. Satellite TV to plush robes. The 4th en suite bedroom located on the lower level next to the villa's 2nd pool (heated in winter), has a king bed (convertible to twins)

which would make it ideal for teens. A sleek and spacious kitchen, equipped for a gourmet cook is adjacent to the interior dining room and just steps from a covered dining terrace. An air-conditioned TV room and a guest bath are all encompassed on the main level. The infinity edge pool (heated in winter) is the focal point of a sprawling deck and is perfect for gatherings with family and friends or entertaining on a grander scale. The villa also features an air-conditioned fitness room. Beautifully landscaped, Villa Wings emanates a subtle Zen-like vibe.
